## The Meeting

We had a roomful of new faces for our bring a guest day. Brandy Harkness from the Beach Cities Health District, Ben Power from Creative Waste Solutions, massage therapist Donna Trimmingham, Jackson Harvey from Wells Fargo, Don Allen from Micro Air Systems, Rich Bryan who runs south bay sports camps and Andrew Wantuck from the Comedy & Magic Club. In addition, significant others, Jill Davis, Sue Poindexter and Judy Giss were on hand.

## The Program

Andrew gave us an overview of our Charter Party/Fund Raiser at the Comedy & Magic Club. We will be charging a \$20 admission fee. For everyone who comes, we get the \$20. The Comedy & Magic Club expects to make money on the food and drinks, as well as the return visits.

The Comedy & Magic Club was started by Mike Lacey, a Manhattan Beach resident. Judy Giss remembers the ice cream parlor that was run by Mike's parents. The Comedy & Magic Club is proud of it being the first venue to headline talents like Jerry Seinfeld and Jay Leno.

The date for the Charter Party/Fund Raiser is June 16<sup>th</sup>. Watch for information on how to obtain your tickets.

Brandy Harkness talked about the Beach Cities Health District sponsoring "Steppin' Out", 70,000 steps in seven days, April 19-25. They have challenged us to walk the number of steps physicians recommend to maintain good health. You can register for Steppin Out at the BCHD's website <http://bchd.org/steppinout/> You can obtain a pedometer for \$5 at the Center For Health and Fitness, front desk, 514 N. Prospect Ave., 2<sup>nd</sup> floor in Redondo Beach.

## Happy Dollars

Marty Davis is proud he has lost 120 pounds and looks great.

Helen Duncan was honored by the Lions Club last week as the Manhattan Beach Woman of the Year. Shown below are Helen and Councilman Walt Dougher. The Chamber has more than doubled in size

since Helen took the reins. What an accomplishment! Helen is particularly proud that one of the speakers at this year's Women in Business Expo is an astronaut.

Marty had a happy/sad dollar as he had to take his dog to the emergency vet but is relieved that his pet is home and doing well.

Don Metcalf has converted his mom over from Windows to a Mac. Now he can help her if she has any computer problems.

Stan Ralls had \$3 for the first practice of his over 45 softball team. Dave Dinwiddie apparently forgot the practice. The Mira Costa Football Boosters appear to be well organized. Stan wondered when Bibi is going to give up her apron. If you haven't signed it yet, then you can't blame DeAnn for not giving you the time to introduce yourself to Bibi.

Gene Willis started his happy dollar with an ad. Gene was happy that Bob Mauck, brother of Bill, re-did Sue and his kitchen.

Dave Dinwiddie found the Mira Costa Key Club! Hopefully, we won't lose them again.

Jim Packard was happy Judy is back from visiting relatives in Wyoming. Jim's dog also had a problem while Judy was away. Jim's dog had bladder stones but like Marty's is on the mend.

Judy had a happy to be here dollar.

Madame President was honored during the Laker's halftime for "Her profound impact in the legal profession includes a case hailed as one

of the most important legal decisions involving the private truck industry, and this case continues to be the law of California." DeAnn is shown here with Miki Jordan who won Woman of Philanthropy. You are welcome to examine the photo closely for the Kiwanis pin that must be there somewhere.

Sue's son Larry has a part on an MTV show. Once again he plays a bad guy. Larry played a father who suffered an injury during his daughter's wedding on Miami Medical last Friday. He was unconscious for most of the show but he did it well.

Don Freeman was happy to see Jill here. Don grew up near Jill's home.

**Announcements**

Our fundraising event will take place at the Comedy & Magic club on June 16<sup>th</sup>. This event will combine fundraising, a membership drive and charter party together. Each member will be given two tickets for the member and one guest. We hope you will also sell eight additional tickets for \$20 apiece.

On May 21<sup>st</sup> will be the Older Adults (aka Senior Citizens) Health Fair. We need six volunteers to help the seniors oops, older adults.

**Door Prize**

We had five of the Beauty 360 facials to give out. Don Allen, Rich Bryan, Marty Davis, Jackson Harvey and Bill Power won.

**Fine Free**

A controversy ensued when Madame President claimed the fine free ticket but Marty contested that claim and a review of the tickets did not resolve who had the bogus ticket. DeAnn wondered why we were skeptical of both claims. Fine Free for next week is the holder of ticket number 833462.
