---TONIGHT'S Meeting - Club Business NOTES ---

- Please remember there is NO MEETING next Monday, July 5th!
- Board Meeting tonight. Also, get reports in to Fred for June activity!
- Rich says we have lots of "inventory" left over from Car Show concession., but can use at a future event.
- July features no planned events at this time, so we can all "rest up!"
- Greg and Ron reported of the just-completed Kiwanis International Convention in Las Vegas. There was great attendance of about 5,000 at the 3-day event, which featured many informative workshops and motivational speakers—like Colin Powell. The most significant piece of business passed was the new Kiwanis Worldwide Service Project, which is being done in conjunction with UNICEF. It will be an attempt to eradicate Tetanus in many countries via vaccination of women in child bearing years. Lots more later.

Tonight's Program: Because of regular meeting of the Board of Directors, there was no formal program. However we had a brief discussion with the Race Committee (our guests tonight) for the upcoming Pikes Peak Marathon on August 21st and 22nd. There are a few changes and items of note for this year.

1. This year it will part of the World Mountain Championship Series, so more elite runners from more countries are expected. However, the over-all number of runners is capped, so that will not change. Just the quality of the field at the top and the notoriety and prestige that will bring.
2. We will see a Western theme this year for the events surrounding the races.
3. Happily, the BEER provider will be Bristol Brewery this year! That news was received with great glee.
4. Sunday will feature the well known Sky Runners.
5. The committee said the feedback from the runners was that they liked our upgraded menu from last year and it will be about the same this year. We will move to one huge tent this year for everything, instead of trying to serve multiple places.
6. It was forecast that there will be NO RAIN OR SNOW this year! The forecast was by the very reliable Tooth Fairy!
