Tonight's Program: Sara Tresouthick, currently finishing training as a "Firefighter 1" with the Manitou Springs VFD, gave us an informative Power Point slide presentation about the requirements and training necessary to become a firefighter. Sara is the daughter of the late Kiwanian and Kiwanis benefactor, Stuart Tresouthick and his wife Marion. She is a "favorite daughter" of this Kiwanis club. She was accompanied by a female Paramedic/Firefighter and a young man in the fire cadet program.

Sara has undertaken becoming a firefighter as a second vocation, and has had the difficulties of age, female strength vs male, and a serious horse accident to overcome on the way to achieve her goal of being a firefighter. She has done it and is to be commended for her achievements and perseverance. A true Manitou Heroine!

TONIGHT'S WINNERS!
