### Last Meeting

Penny Christy, President of Academy of Mastery, spoke on the mission of the Academy. One of the issues is how to reach more kids with no more staff. The juniors and seniors in this program learn how to start a business, sell products or services, learn management, production, and how to work with difficult fellow students. Some of the kids from Bridgeport and Hartford went to each others business fairs held recently. Penny said that the students in the 9 week program learn leadership skills, public speaking, and what is commitment. Approximately fifty percent (50%) complete the program. Parents are asked to make class time available and to participate. Penny was given contact info for Bridgeport and Fairfield Kiwanis clubs along with New England District and Kiwanis International Foundation. It was suggested that a possible partnership could be setup with Kiwanis Key Clubs.

- Pres John said he called Ken Anderson of the Cheshire club regarding a joint installation. Ken said he would have someone call John.
- Lee Flanagan was thanked for getting Jay and Gary to again serve as co chair for the Peanut Sales.
- Bill Campion contributed to the 50/50 for getting a tour of Yankee Stadium. Bob Crean didn't win the 50/50 but Mike Blumenthal did and donated his share to the club.
- Bill Campion is getting more information on a cell phone recycle program.
- We are still missing several of the Club Excellence surveys. If you have not done so already, PLEASE send yours to Secretary Bob.
