## President's Message

Our thoughts and prayers go out to John Tilden's wife and family. John died peacefully in his sleep on Jan. 20.

John joined our club in 1964. His commitment to the club and service to the community is remarkable. It is during difficult times like this that we remember the importance of family, friends, and fellow Kiwanians. We'll miss you John.

## Club Business

President Tom Porter called the meeting to order at 12:30pm.

Tom announced that we are trying to revive a Kiwanis Club Orlando tradition – a Valentine's Day(ish) Social. Preliminary plans are to meet at K Restaurant in College Park on Saturday, Feb. 13. Couples are welcome...though all of the cool singles will be hanging out at the Fordham/Teague table. We need 19 couples to reserve our own room. We are working on a back-up plan if the RSVP count is lower.

Hugo deBeaubien reported last week that the December 19 Salvation Army Red Kettle campaign was a huge success, generating critical funding for the Salvation Army. The total is now in – Kiwanis club Orlando raised \$500 for the Salvation Army. Great work!

You can still sign up for the upcoming Bowl-A-Thon, a district fundraiser benefiting juvenile diabetes. The event is scheduled for Saturday, February 13. Last year, Kiwanis Club Orlando fielded two teams. See Tom Porter (especially if you know how to bowl).

Harry Brumley has a few tickets left for the Jan 23<sup>rd</sup> East-West Shrine Game. A portion of the proceeds go to Kiwanis Club Orlando.

Dan Koivu has \$25 tickets for the March 11 Magic game against the Chicago Bulls. This club social will begin at the Orlando Day Nursery with pre-game snacks. The group will walk over to the game together...

If you would like to include an item in the Kiwanis Club Orlando Connections section of the newsletter, contact Jaimie or Kelley.
