

# Kiwanis Club Orlando

*Serving Central Florida Children Since 1921*

April 30, 2010

## President's Message

What an amazing afternoon of service last week at Christian Service Center. Thank you to everyone who came out and cook lunch for more than 600 Central Floridians in need.

We are especially grateful to Matt West, who coordinated cooking with the Christian Service Center, and Kiwanis Club of South Orlando for use of their super-sized grill.

This newsletter features photos from our service project on April 30 – enjoy!

## Upcoming Meetings

5/7/10  
Regular Meeting  
Orlando Day Nursery

5/14/10

## Club Service Project

A handful of club members pause for a photo with Christian Service Center Executive Director Robert Stuart.

Recently, Stuart was the featured speaker during a club meeting. In his role as local elected official for the City of Orlando, Commissioner Stuart gave the club an update on future planning for downtown.

When club members found out about the service project on April 30 they had one question - how can we help? As one of many volunteer groups, members cooked and served more than 600 meals!
