Program: Emily R read the word, "BUSKER". John B thanked Brock T & Emily R for giving up their program date to honor the student athletes who attended State competitions. Both girls track teams were invited but don't know where they are (8 from Titans & 1 freshman from KHS qualified in the shot put). Boys left this morning for their State competitions so they are not here. The IHSA website is a great way to keep up with how our athletes are doing. This website lists all the sports in the State of Illinois even if we don't offer the sport in our schools. Bass fishing is one sport we don't participate in but down south they do. You might be surprised to see Speech & Group Interpretation as included sports. For the last (5) years in a row, KHS has sent students of the Group Interpretation Team to State. John B then introduced Coach Heather Olalde who introduced Brooks Bullock, Blake Bullock, Emily Saey, Tyler Eilts, Caitlin Arrington, Celine Ahearn, Evy Johnson, David Edge, Ellen Johnson, Eva Gunawan, Johnny Williams, & Ryan Branom who qualified in Speech. Blake and Johnny prepared explanations of what "GP" is for us today. Johnny thanked the group for taking him under their wings even though he is only a freshman. Then they presented an actual group interpretation for us. John said it was not hard to see why they are so successful. They are very supportive of each other & they have a good coach.
