Anniversaries for the Month	
James Bennett	38 years
Robert Zeiger	14 years
Doug McDonald	9 years

Coming Events
April 13th – Board of Directors Honkers (following reg. meeting) PANCAKE DAY coming soon, be ready!

Easter Egg Hunt 2010

This years Easter egg hunt was a smashing success! We had over 90 pre-schoolers participate! We had the help of 23 Penn Key Club members and 8 of our own Club members. The children found 1250 eggs full of candy and won prizes in a drawing after the egg hunt. They toured thru a Mishawaka Fire truck and had the opportunity to pet Easter rabbits furnished by Pat Glenn.

Debbie Block, John Gleissner, and Ron Baniki organized and made this event possible. Thank you to each and every one. Great job! Thanks to Dave, Charles, Mark, Larry, Bryan and the rabbits, and any other Kiwanis member who participated. Thanks to everyone who stuffed the eggs on Friday morning.

Thank you also to our sponsors Kroger's, CVS Johns to Go, Walmart, Sams Club, Mc Donald's, WAKA Dog, Burger King, Pizza Hut, A Family Chiropractic Center, and the MBA.

Thanks again to Debbie and her staff for scrabbling up the prizes for this event.

Clean the Highway Event

Tuesday, April 20 at 6:00 pm we will meet at Hilltop Baptist parking lot to clean Bremen Highway. Chris Wells has made arrangement for trash pickup along the route. We will need every member available that day because our Key club members cannot help due to liability concerns.

Please let Chris know if you are planning to help. It is rough terrene and you will need gloves, and a drink for the 1 mile walk. It will be great fun and this is the important for people entering our city from the south that they see a clean highway to our Mishawaka.

Golf Outing for Charity

The Mishawaka Kiwanis/Garbage Open Golf Outing is on the Eberhart Golf Course calendar for Sunday, June 13 at 12:00 noon. I will get some flyers made. Please begin to think about putting teams together and who we can approach about hole sponsors. We will need members to work in several areas. My plan is to use 2/3 of any profits toward funding our Harry Magrane scholarships and 1/3 toward support for the Garbage Open and the kids that participate in that event.

If you are willing to help with this Golf outing, please contact Larry Stillson. We need people who know about golf and have contacts in the golf world. We also need people willing to help Kiwanis raise money to help children go to college from Mishawaka. Please call Larry today!
