Pancake Wrap-Up

We would like to thank everyone especially Patti and Don for doing a super job as chairmen of this event again. The final numbers are not yet in. If you have any outstanding ticket sales money, please bring it to the next meeting and give it to Don Reber or Patti McNarney.

We are currently around \$2500 profit after the event. That is \$2500 we can distribute to needy children in our community. Thanks again to everyone that sold tickets and worked so hard to make this fund raiser a success.

You board are making some suggestions to change the event to meet the current business and professional environment of today. Mark Bradford will be making a presentation at the July 27 meeting with suggestions and opportunity for your input. Possibly changing the day to a Saturday, time from 7- 1, maybe team up with other events and more. Please be present with your ideas.

The needs are many and the fund raising is in trouble.

Peanut Sale around the corner

Please mark your calendar for the peanut days are Friday September 17 and Saturday, September 18. Times and places are the same as last year...Sam's Club, Kroger Town and Country and Kroger Merrifield at 9:00 until 7:00 and 9:00 until 6:00 I believe.

Peanut chairmen and our new second Vice-President Blonydna Deboever is very excited and will make the event tremendously successful with every Kiwanian's help. Please plan on participating! It will take every Kiwanis member working at least one shift to cover all of the time slots this year. We really need this event to be successful this year.

As you all know there are a lot of hurting children in this community that need are help.
