 Patti McNarney 8 years

**Coming Events**  
 Aug 10<sup>th</sup> – Board of Directors  
 Honkers (following reg. meeting)  
 September 17<sup>th</sup> & 18<sup>th</sup> – Peanut Days

## **Peanut Sale September 17, 18**

Have the lazy days of summer gotten you rested up and ready to work? Our faithful Peanut Kernel Blondyna DeBoeuer is locking down the peanut order and locations for us to begin this very important fund raiser.

We will need every member to participate in order to make a huge goal for peanut sales this year. The needs are many and our funds are growing thin. We really need YOU to volunteer and take a time slot. When we all rally around the cause of making a difference for our children and community we will boldly ask people to support the cause. This great community will take the peanuts and give to the children of Mishawaka.

We are trying to have two people at each location this year. It is a great opportunity to get to know fellow Kiwanis members. Newer members will learn from more experienced members on the how to of Peanut Sales.

Please lock the date in your planner and let Blondyna know when you can help. We will be at both Mishawaka Kroger's and Sam's Club for sure this year.

Blondyna can be reached at bonizoo@yahoo.com or at work at 247-5652 or at a meeting.

I know we can count on you!

## **THE REZ**

Our Rez representative David Eggleston gave us a brief description of the Rez effort to raise funds to have city water brought on to the property. They are offering recognition (Charter Membership) for people who make a \$200 contribution to the fund raising campaign. They must raise \$200,000 to accomplish this necessary upgrade.

Any member who would like to purchase stock in the Rez fund drive please contact David.
