Peanut Days

September 17 and 18, 10 am until 6 pm at Kroger Merrifield and McKinley / Hickory and Sam's Club is the big day. This is our largest fund raiser! We need every member to help!

We need everyone to pre-sell cases of peanut for \$10 per case and we really need everyone to take one shift (2 hours) in front of the public seeking donations and sharing the news that Mishawaka Kiwanis Club cares enough about our children to ask for their support!

Please contact Blondyna Deboever by phone at 247-5652 or email bonizzoo@yahoo.com. We need your support. So please call her or we will be calling you.

This is a difficult time in our economy. The needs are greater this year than ever. We really need your support. Call today!

The REZ

Our service project for the Month of October is Rez Service Day. It will be Saturday, October 16 at 9:00 am. There is much work to do. Bring your rake, shovel, chain saw or favorite brushes or tools. They need to help prepare the Rez for water and sewer lines. Repair steps and begin raking leaves.

It is a lot of fun working with Kiwanis members getting a service project done that helps thousands of children every year. Please put this in your calendar.

FYI.....The Rez is still seeking Charter Members to support the Rez water and sewer connections required due to the Capital Ave. remodeling project. For only \$200 you can be eligible to be a board member of the Rez and help the effort to bring this youth service camp up to today's health standard with water and sewer connection. Please talk to David Egelston for applications.
