Presidents Column

There are several upcoming events that you will want to mark on your calendars. The Mid-year Conference is February 5 and 6. The festivities begin on Friday night with a Kiwanis family dinner and game night to be held at the Sheraton at Keystone at the Crossing. The meetings will be held on February 6 at the Fountains on Carmel Drive, beginning with a continental breakfast from 7-9 am. The cost is \$60, which the club will cover, and includes lunch and an afternoon desert. The meeting will last until 4:30 pm. If you have never been to a Kiwanis event outside of our club meetings, then it is a great opportunity to learn more about Kiwanis and meet other clubs from around the state to exchange ideas and share stories.

Another popular event is the Abe Lincoln scholarship awards luncheon sponsored by the Indianapolis Downtown Kiwanis club. It will be held at the Murat Temple on February 12 at 12 pm. Marianne is taking reservations, and she will mail in one check.

Also on February 12 at 7 pm is the Kiwanis Club of Warren Township "Give from the Heart", an evening of fine dining and live music, to be held at the Community Life Center. This event is a great opportunity to support another Kiwanis club in their fund-raising efforts.

Finally, mark your calendar for April 10, which has been designated as the Kiwanis One Day, where Kiwanis International sets aside one day a year for all Kiwanis clubs to participate in a community project. The Indianapolis area is teaming up with the Boys and Girls Club to host a breakfast at five area Applebee's. Each club will receive two tickets per member to purchase or sell for \$8 each. One half of the proceeds will go to Riley. We will need 5-10 volunteers to help greet people, bus tables, pour drinks, etc. This event will last from 8-10 am. More details later.

Don't forget to collect items for the parent cart at Riley. A list of needed items will be available at the next meeting. Also St Mary's and Crestview are still looking for volunteers. If you have never tried one of these activities, reserve one day next month to give it a try!

Our goal is for more members to achieve this distinction.

There are several ways to account for 100% attendance. For more information on how and what you need to do and report to the secretary see or call Chris Rathbun.

On the Lighter Side this Month

Why, Why, Why

- do we press harder on a remote control when we know the batteries are going dead?
- do banks charge a fee on “insufficient funds” when they know there is not enough money?
- does someone believe you when you say there are four billion stars, but check when you day the paint is wet?
- doesn't glue stick to the bottle?
- do kamikaze pilots wear helmets?
- if people evolved from apes, why are there still apes?
- do people constantly return to the refrigerator with hopes that something new to eat will have materialized?
- do people keep running over a string a dozen times with their vacuum cleaner, then reach down, pick it up, examine it, then put it down to give the vacuum one more chance?
- is it that no plastic bag will open from the end on your first try?
- is it that whenever you attempt to catch something that's falling off the table you always manage to knock something else over
