## Meeting

Members – 13  
Guests - 0  
Invocation: Phil de Roche

President Terry opened the meeting with his usual jokes and humor. We had a delicious selection of food for the pot luck. Many members said they would like to continue this and have at least once a month. Brown was decorated for St. Patty's day and we had Irish music playing in the

background. We played several rounds of "patterned" Bingo. Members were asked to say Irish phrases instead of the usual Bingo when they won. Kiwanis prizes were given to all winners. Reminder: March 25 is Paul Zeis induction and Lt. Gov. Faith will be in attendance so please plan on attending. Our program is Patient Navigator so we will have a full evening.

Don't forget your Food pantry items !

We have several signed up for the Special Needs Prom on April 3 but anyone wanting to attend this very special night is still welcome to attend.

## QUOTE OF THE WEEK

**There are good ships, and there are wood  
ships, the ships that sail the sea. But the best  
ships are friendships, and may they always  
be.”**

Motivational Message of the Week

Tip # 1  
Let Go of the Past

Before you can create a better future for you or your organization, you must let go of the pains in the past. Failing once does not mean you will fail forever. Learn from your history , but don't let it stand as an obstacle between you and your dreams.

Tip# 2  
Remember Success  
Just as important as learning from and overcoming past failure is recalling past success. It doesn't matter who you are, you have succeeded at something at some time in your past. Don't gloss over these moments. Use them to remind you that you can in fact achieve your goals.

Hilliard's First Annual Community Safety Day

We have been invited by the Hilliard Police Department and Norwich Township Fire Dept to participate in this event. It will be on May 15 from 9 a.m. to 3 P.m. Their mission is to provide the community with a day of enjoyment, involvement and education in safety thru gifts, free lunch, station tours, police and fire demonstrations, equipment displays, **area service provider displays**, DUMP program, public wellness checks, adult and children activities, raffles, videos and landing of MedFlight's helicopter. What they would like from us is to set up a display and man the display to let the public know what Kiwanis is and what it provides to the community. Sounds like a great opportunity to get us in to the public eye. If anyone is interested in manning the booth and possibly helping Kim with brochures, set up, etc. please let her know soon.

Miscellaneous Info

Valerie Scheel has asked that you start baking those cookies and freezing them for the Pancake Breakfast. We are going to need a lot. The cookie walk has been very successful so we will need everyone's help. We will also be selling Carol's bags!

Our sympathies to Don & Carol Parker. Don's brother, Richard, passed away last week. In Richard's honor our club has made a donation to the American Cancer Society.
