Ohio Governor Don Parker installed New Member Paul Zeis into the club. Paul received our club info, a hat, member pin and pen. He also received a special pin from Governor Parker. Please welcome Paul and his wife Sharon to our Kiwanis family.

Our speaker this evening was Kathleen Gough from American Cancer Society. She is a Patient Navigator. Kathleen's job is to connect cancer patients to different services. She lends an ear and listens to patients who have just found out they have cancer. If they have a special request she will go out of her way to see that it happens. There are 22 Navigators in Ohio and Nine hotels in Franklin County that house families of patients going thru cancer treatment.

Hilliard Easter Meals Benefit

We will be distributing food for 49 Hilliard Families on April 1st at the Hilliard Food Pantry. We are supplying 3 meals this year. Larry will begin delivering food to pantry at 1:00. Larry has asked that anyone with coolers to contact him at 870-6588. He requests that you put your names on them so that he can return to rightful owners. (We have 60 hams and 30 chickens to keep cold) You may drop off at the building between 1 and 1:30 since Kim will be there standing guard of items being delivered or you can make arrangements with Larry to drop off at his house before Thursday. You can either pick up your coolers that evening or Larry will return to you at the April 8th meeting. We will distribute meals from 5:00 to 7:30 that evening. If you took home a list of families to make reminder calls to please do so Tuesday or Wednesday evening.

QUOTE OF THE WEEK

Life is not made up of great sacrifices and duties but of little things: in which smiles and kindness given habitually are what win and preserve the heart and secure comfort.

~Sir Humphry Davy~

Pinwheels for Prevention

April is Child Abuse Awareness month. As you all know this is First Lady Carol's project. She has received 800 pinwheels that will need "planted" as soon as date and location is set. We are hoping that everyone will be able to "plant" with us. Each pinwheel will

represent a child victim of abuse in Franklin County. It is a magnificent sight to see the pinwheels twirling in the wind and what they represent tugs at the heart. There will be signs explaining what the garden is and that it was "planted" by the Hilliard Kiwanis. Carol is also working with The Key Clubbers to help with the planting.

Hilliard's First Annual Community Safety Day

We have been invited by the Hilliard Police Department and Norwich Township Fire Dept to participate in this event. It will be on **May 15** from 9 a.m. to 3 P.m. Their mission is to provide the community with a day of enjoyment, involvement and education in safety thru gifts, free lunch, station tours, police and fire demonstrations, equipment displays, **area service provider displays**, DUMP program, public wellness checks, adult and children activities, raffles, videos and landing of Med Flight's helicopter. What they would like from us is to set up a display and man the display to let the public know what Kiwanis is and what it provides to the community. Sounds like a great opportunity to get us in to the public eye. If anyone is interested in manning the booth and possibly **helping Kim** with brochures, set up, etc. Please let her know soon.
