President Terry opened the meeting with a special welcome back to Barb Cash. (Barb reported that she already has secured contract for FSR). We also welcomed Immediate Past Lt. Gov. James Howard. James is looking for a new club to join and we HOPE it is ours.! We could use his enthusiasm and dedication to Kiwanis.

Ted Jones, Wally Cash and Don Patterson reported on the International Presidents visit at Berwick Party house on Saturday.

President Pallazolo gave an outstanding presentation on membership growth.

Governor Don reported on his travels with the International President. From Cincinnati to Columbus to Newark to North Canton to Toledo for a total of 658 miles travel!

Next week's Meeting will be Kim EMCH from SON (serving our Neighbors). A fairly new organization linking Hilliard families and organizations so that we can all help our families in need. Don't miss it!

Community Safety Day at the Joint Safety

Kim and Don Patterson reported on the event at the joint safety building from 9-3 this past Saturday. It was held for the Hilliard Community to find out about all organizations in Hilliard and the type of service each organization offered. We also used it to talk up membership. A lot of networking was done – we received even more requests for help. We talked to several people about Kiwanis and membership – Don Patterson was seen more than once out in the crowd and bringing people back to talk to Kim. Special thanks to Rod Garnett for helping Kim set up on Friday.

Kiwanis is a global organization of volunteers dedicated to changing the world one child and one community at a time.

If we make each and every moment count, we
will have "enough" time.

Splash into Summer/June 12

Thanks to those that signed up to help with our new fundraiser. We need all hands we can get to make this successful.

We will meet at the Rider building on June 11 at noon to begin set up of the Hilltop Trailer and will then move the trailer to our vendors spot.

On June 12 we will be serving from 3:30 to apx. 9:00. If anyone can help please let Kim or Jenny know. We will need at least two cooks and at least 4 members to serve the food at all times. We will also be selling sno cones in a separate tent. As you can see, we are working to make this a success, please help make it a success.

MEET & GREET

President Terry announced there will be a meet and greet Wednesday May 26th at WG BISTRO on Scioto Darby from 6-9. PLEASE members – this would be a great opportunity to bring friends, prospective members to meet with other members of our club and see what Hilliard Kiwanis is all about. President Terry really needs help with this. Let’s get behind him and help bring in those members. Please RSVP to Terry by Monday at noon if you plan to attend AND bring a prospective member. There will be appetizers, punch and Kim will have a slideshow presentation on Kiwanis International along with brochures, etc. This is the time to grow our club. We need a lot more hands with all the requests for help coming in – almost daily.
