Invocation: Carol Parker

Don Parker opened the meeting while President Terry was stuck in traffic. Thanks for filling in Governor Don.

Our Speaker this evening was Kim Emch from SON ministries. SON stands for Serving Our Neighbors. Kim single handedly started this program and now has a board and has become a 501C3 organization. Kim felt there was a need to continue the lunch programs in the summer for the students who

received free lunches at school. There are 2158 students living at or below poverty level in Hilliard. Kim started the Hilliard Free Lunch Program and will be serving meals to children from ages 1-18. They can always use volunteers.

They have now added homework help to impoverished students in Hilliard. Adding to the list is the help they are giving to parents with language barriers.

We are as happy as we make up our minds to be.

QUOTE OF THE WEEK

I suppose leadership at one time meant muscles; but today it means getting along with people.

Splash into Summer/June 12

We will meet at the Rider building on June 11 at noon to begin set up of the Hilltop Trailer and will then move the trailer to our vendors spot. On June 12 we will be serving from 3:30 to apx. 9:00. If anyone can help please let Kim or Jenny know. We will need at least two cooks and at least 4

members to serve the food at all times. We will also be selling sno cones in a separate tent. As you can see, we are working to make this a success, please help make it a success.

Proceeds will go to Rico Butler's family. The Davidson student who drowned last Tuesday.
