Kiwanis Education: An interclub meeting is a meeting or activity staged by two or more Kiwanis family clubs, including the Service Leadership Programs. The definition of an interclub was expanded from simply attending another Kiwanis club meeting to include attending the projects, activities and social events of another K-Family club. Interclubs promote opportunities for fellowship, education and encourage greater interaction between Kiwanis clubs and our Service Leadership Programs. Interclubbing is a means of supporting Kiwanis' fifth Object, which is, "To provide through this club a practical means to form enduring friendships, to render altruistic service, and to build a better community."

Meet a Member: Adriene Otis

Adriene is one of our new club members. She stepped up to volunteer even before she attended her first Kiwanis meeting. She has read to several classes of students as part of the Mayor's Book Club program and has volunteered during Bingo. Her enthusiasm, positive attitude and willingness to roll up her sleeves and help out are great assets to our club. We are lucky to have Adriene as a Mercury 64 Kiwanian. Read on for some information about our fabulous new club member!

Family: Daughter - Alyssa (13 years old)

About myself: I am an Assistant Manager at 1st Advantage Federal Credit Union and have been with the company for a little over 3 years. I truly enjoy my job assisting with the daily operations of the branch and providing each member I encounter the ultimate experience in customer service. I obtained my Bachelors Degree in Finance in May 2009 from the University of New Orleans and am now pursuing my Masters in Finance from Ashford University (I will graduate in December, 2010). I am recently separated after being married for 17 years and am enjoying starting life over, taking it day by day.

In my spare time: I enjoy spending time with my daughter and friends (when I can pencil it in). Relaxing and having "quiet" time is always a plus for me.

I joined Kiwanis because I wanted to be more active in the community and give back when I can to whom I can. I enjoy being part of something that can make a difference whether it is small or big. I always give all I have into a project anyway I can - I enjoy making a difference!!!
