## Club Action Last Meeting

Rey Ramirez and Anne Henry were our speakers for this weeks meeting. Rey and Anne are co-founders of Soundscapes, an afternoon school program at Carver Elementary School. The students at Carver will be having a concert on March 9th at 3:30 in the school gym if you would like to attend. It is an interesting program using large orange buckets and red drumsticks. They are just beginning to learn to play on recorders so it should be a nice concert.

Please keep Beverly in your thoughts and prayers. Her surgery went well but she is now beginning her therapy. Also keep Jimmie and Kitty in your prayers as well as they travel back and forth in helping Beverly. Jimmie may need some help with some of his projects, so please try and help out if you can.

Roy K, Ian, Rodney, Jim S and Joe will be working Bingo this Friday, February 5. If you find you don't have anything going on go join them. It is a fun time.

Since our K-Family Reunion was cancelled last Saturday, Jim will keep us updated on whether this will be rescheduled and when.

Don't for get "BLAST OFF" on Saturday, February 6 at the Downtown Hampton Air and Space Center. If you have signed up to work please be sure to wear Kiwanis attire. It is a fun day for everyone attending and working.

Dr Joseph McFadden will be our guest speaker for February 9th. He will be speaking on Healthcare. Lets have a large member turnout for this meeting.

The club is dedicated to the promotion of higher social, business, and professional standards and to the development, by word and example, of a more intelligent, aggressive, and serviceable citizenship. Some of the beneficiaries of the Club's fund raising efforts and community service projects include:

American Cancer Society—Relay for Life

Newport News Healthy Families

Hampton Roads Chapter—American Red Cross

The Club also provides a scholarship to a student enrolled at Christopher Newport University and to the Club's "Teenager of the Year." The Club also participates in several of Kiwanis International and Capital District programs by sponsoring the Christopher Newport University's Circle K Club and Warwick High School's Key Club, selecting a "Teenager-of-the-Year" to represent the Club in Division and District competitions, and sponsoring a Terrific Kids Program in elementary schools in Newport News.
