About us

Established on March 28, 1949, the Warwick Kiwanis Club has been serving the Peninsula community for the past 60 years. The club is dedicated to the promotion of higher social, business, and professional standards and to the development, by word and example, of a more intelligent, aggressive, and serviceable citizenship. Some of the beneficiaries of the Club's fund raising efforts and community service projects include:

GSA Troop 5036

Children's Kiwanis Emergency Center, CHKD

American Cancer Society—Relay for Life

Newport News Healthy Families

Hampton Roads Chapter—American Red Cross

The Club also provides a scholarship to a student enrolled at Christopher Newport University and to the Club's "Teenager of the Year." The Club also participates in several of Kiwanis International and Capital District programs by sponsoring the Christopher Newport University's Circle K Club and Warwick High School's Key Club, selecting a "Teenager-of-the-Year" to represent the Club in Division and District competitions, and sponsoring a Terrific Kids Program in elementary schools in Newport News.
