We certainly enjoyed our enthusiastic speaker this week, Bruce LaLonde from the USO Hampton Roads. You always hear about the USO and you knew it was a place for our soldiers to go but did you really know what the USO is all about. If you attended the meeting last week you were enlightened as to all the functions the USO provides for our soldiers when they need a place to relax, get a snack, take a shower, or a place to just feel safe. There are centers at all of the airports and throughout Hampton Roads. Items such as books, magazines, stationery, pens, toothbrushes, bars of soap, and other toiletry items are needed at the centers for soldiers use when they stop in. If you have things of this nature to donate Bruce said go by and see Libby at the Newport News airport and say thanks. Donations of money and time are always welcomed. Bruce said there is a program at Thanksgiving and Christmas to place soldiers that cannot get home for the holidays with local families for them to have a home cooked meal. If this is something of interest to you give Bruce a call and set something up for this year.

I & B, March 30 Jim Stevens, April 6 Jimmie Williams, April 13 Rodney Duncan

About us

Established on March 28, 1949, the Warwick Kiwanis Club has been serving the Peninsula community for the past 60 years. The club is dedicated to the promotion of higher social, business, and professional standards and to the development, by word and example, of a more intelligent, aggressive, and serviceable citizenship. Some of the beneficiaries of the Club's fund raising efforts and community service projects include:

GSA Troop 5036

Children's Kiwanis Emergency Center, CHKD

American Cancer Society—Relay for Life

Newport News Healthy Families

Hampton Roads Chapter—American Red Cross

The Club also provides a scholarship to a student enrolled at Christopher Newport University and to the Club's "Teenager of the Year." The Club also participates in several of Kiwanis International and Capital District programs by sponsoring the Christopher Newport University's Circle K Club and Warwick High School's Key Club, selecting a "Teenager-of-the-Year" to represent the Club in Division and District competitions, and sponsoring a Terrific Kids Program in elementary schools in Newport News.
