Kitty R, Beverly, Tamiko and
Laura for their support at the
Arthritis Walk

Club Action Last Meeting

Everyone has a great time at the 2010 Peninsula Arthritis walk held at Styron Square in Port Warwick. Attending were, Jimmie and Kitty Williams, Roy Rogers, Kristin Fetty, Kitty Redman, Beverly Williams, Tamiko Acuna, Division 13 Key Club Lt Gov , and Laura Stephens Key Club outgoing President from Warwick High School. Several of us made it the 3 miles and some only made 2. It was a great day with Beverly’s team raising the most money per team of about \$1900.

The club is very concerned about the CKI meeting at Christopher Newport University. Plans are under way to survey the out going students as to where there might be problems and work on making incoming students more aware of what the club is all about. Hopefully the CKI club will get off to a good start in the fall.

Luther held a budget and fundraising meeting this morning and will report on it at our Tuesday’s meeting. Please attend so your voice will be heard.

On Saturday, Jimmie told us that all of Beverly’s test has come in with a positive result. Very good news. It was really nice to see Beverly doing so great!!.

Ian gave us a very nice and detailed overview of the book Heaven & Earth—Global Warming the Missing Science. Thanks Ian.

About us

Established on March 28, 1949, the Warwick Kiwanis Club has been serving the Peninsula community for the past 60 years. The club is dedicated to the promotion of higher social, business, and professional standards and to the development, by word and example, of a more intelligent, aggressive, and serviceable citizenship. Some of the beneficiaries of the Club's fund raising efforts and community service projects include:

GSA Troop 5036

Children's Kiwanis Emergency Center, CHKD

American Cancer Society—Relay for Life

Newport News Healthy Families

Hampton Roads Chapter—American Red Cross

The Club also provides a scholarship to a student enrolled at Christopher Newport University and to the Club's "Teenager of the Year." The Club also participates in several of Kiwanis International and Capital District programs by sponsoring the Christopher Newport University's Circle K Club and Warwick High School's Key Club, selecting a "Teenager-of-the-Year" to represent the Club in Division and District competitions, and sponsoring a Terrific Kids Program in elementary schools in Newport News.
