Club Action Last Meeting

Our speaker this week was Bob Kerrlinger of the Poquoson Kiwanis Club. Bob spoke on what is involved in their recruiting process for new members and the orientation plan they go use to introduce to Kiwanis and how they can get involved in the club. We can always pick up a pointer or two listing to what others are doing. Each of us should be doing our part to increase membership.

A great turnout for the Terrific Kids program at Greenwood Elementary with 82 Kids receiving certificates and 92 Kids at Saunders. Congratulations to all and what a great job they are doing in school.

The Club voted and passed on the Officers and Board of Directors for the coming year for the club.

About us

Established on March 28, 1949, the Warwick Kiwanis Club has been serving the Peninsula community for the past 60 years. The club is dedicated to the promotion of higher social, business, and professional standards and to the development, by word and example, of a more intelligent, aggressive, and serviceable citizenship. Some of the beneficiaries of the Club's fund raising efforts and community service projects include:

GSA Troop 5036

Children's Kiwanis Emergency Center, CHKD

American Cancer Society—Relay for Life

Newport News Healthy Families

Hampton Roads Chapter—American Red Cross

The Club also provides a scholarship to a student enrolled at Christopher Newport University and to the Club's "Teenager of the Year." The Club also participates in several of Kiwanis International and Capital District programs by sponsoring the Christopher Newport University's Circle K Club and Warwick High School's Key Club, selecting a "Teenager-of-the-Year" to represent the Club in Division and District competitions, and sponsoring a Terrific Kids Program in elementary schools in Newport News.
