## Club Action Last Meeting

It was a pleasure having Latorria Wyche, Assistant Manager of 1st Advantage Credit Union as a guest along with her Manager Lisa Crump at our last meeting as a guest of Jim Wool. We hope to see her at many more of our meetings.

Jimmie gave a report on the Terrific Kids programs at Greenwood and Saunders. What a pleasure it is to recognize so many young students for their achievements and hard work. 82 students at Greenwood and 92 students at Saunders received certificates for their accomplishments.

Luther read a correspondence from Sara Sager from the Child Development Center concerning Blast Off for 2011 to say there would not be a program for next year. Hopefully there will be another program to support this most needed program.

The club is dedicated to the promotion of higher social, business, and professional standards and to the development, by word and example, of a more intelligent, aggressive, and serviceable citizenship. Some of the beneficiaries of the Club's fund raising efforts and community service projects include:

#### GSA Troop 5036

American Cancer Society—Relay for Life

Newport News Healthy Families

Hampton Roads Chapter—American Red Cross

The Club also provides a scholarship to a student enrolled at Christopher Newport University and to the Club's "Teenager of the Year." The Club also participates in several of Kiwanis International and Capital District programs by sponsoring the Christopher Newport University's Circle K Club and Warwick High School's Key Club, selecting a "Teenager-of-the-Year" to represent the Club in Division and District competitions, and sponsoring a Terrific Kids Program in elementary schools in Newport News.
