Club Action Last Meeting

At our meeting there was Jim W noted we had a profit of \$200 from the 16th Friday at the Fountain.

Jim also noted the Hilton Kiwanis Club now has 21 members. They are on their way to becoming a Chartered Club. Congratulation them for their diligence in getting new members.

A clean up day was held on Thursday at 9:30 to get the trailer ready for the 23rd. Please let Luther know if you will be able to work a clean-up day this week to get the trailer ready again for Friday night.

Membership! Membership! This is what we need to be able to continue to do what we do for the community. Please try and bring a friend, co-worker or an associate to a meeting or invite them to come out to a function so they see what good work we do as a club.

The Red Cross will be hosting a breakfast in September. More details will follow for this function.

Roy R. mentioned that MacIntosh School will be having a community day September 25th. More information will follow on this function.

Friday at the Fountain night on the 23rd was a very small turnout. The band was very good but crowd was small and not a lot of sales.. The bands over the next few Friday nights are said to have a very large following. Please sign up so that we have enough workers to take care of the crowds.

Please remember the International Convention in Las Vegas.

Please remember the District Convention in Lynchburg, Virginia from August 20 to 22,

About us

Established on March 28, 1949, the Warwick Kiwanis Club has been serving the Peninsula community for the past 60 years. The club is dedicated to the promotion of higher social, business, and professional standards and to the development, by word and example, of a more intelligent, aggressive, and serviceable citizenship. Some of the beneficiaries of the Club’s fund raising efforts and community service projects include:

GSA Troop 5036

Children’s Kiwanis Emergency Center, CHKD

American Cancer Society—Relay for Life

Newport News Healthy Families

Hampton Roads Chapter—American Red Cross

The Club also provides a scholarship to a student enrolled at Christopher Newport University and to the Club’s “Teenager of the Year.” The Club also participates in several of Kiwanis International and Capital District programs by sponsoring the Christopher Newport University’s Circle K Club and Warwick High School’s Key Club, selecting a “Teenager-of-the-Year” to represent the Club in Division and District competitions, and sponsoring a Terrific Kids Program in elementary schools in Newport News.
