Club Action Last Meeting

On August we had an interclub with the Downtown Hampton Club. Those attending were Jim Wool, Joe Kalista, Rodney Duncan, Roy Rogers, Jim Stevens, Kristen Fetty, Jimmie Williams Roy Klingenberg, and Luther Elmore. Unfortunately the guest speaker, Glen Nye, could not attend due to pressing legislation.

We do look forward to our speaker this week, Bobby Scott. Let's have a large turnout for this week.

This week at Friday at the Fountain should bring in a large crowd with the Fat Ammons Band. Hopefully the weather will cooperate with cooler temperatures and no rain. With only 2 weeks to go this has been great for our club.

We are also getting closer to another big event the first of October. The Fall Festival, please be planning for this and set aside extra time that you can work. This is a 2 day event at Newport News Park. Please log on to the website and sign up the times you will be available.

Please remember the International Convention in Las Vegas.

Please remember the District Convention in Lynchburg, Virginia from August 20 to 22,

FRIDAY BY THE FOUNTAIN AT CITY CENTER

AUGUST 20, 2010 5PM TO 8:30

PLEASE GO TO WEB AND GET SIGNED UP TO HELP

What a great turnout we have had as far as the people attending the Friday night concerts as well as the participation from the club on everyone joining in and working. A note from Jim Wool saying our profit from the previous weeks have netted the club \$2,073.48 so far with 2 weeks to go. What a great fundraiser this has been. What great fellowship we have had a club members. Being away the last several weeks, gaining a new daughter-in-law to the passing of a family member, I am looking forward to Friday night to working alongside each of you.

THANKS to all those who worked on August 13th, Luther, Roy R, Jim Stevens, Kristen, Maggie and Jimmie.

On the schedule the following weeks

August 20, FAB (Fat Ammon Band), a big mixture of everything.

August 27, Chasing Arrows, their original sound and unique rock and roll style has made them a growing campus phenomenon and regional favorite
