We Are Kiwanis

What is Kiwanis?

"Kiwanis is a global organization of volunteers dedicated to changing the world comprising 8,600 clubs in more than 90 countries and geographical areas -- one child and one community

Objects of Kiwanis

The six permanent **Objects of Kiwanis International** were approved by Kiwanis club delegates at the 1924 Convention in Denver, Colorado. Through the succeeding decades, they have remained unchanged.

- To give primacy to the human and spiritual rather than to the material values of life.
- To encourage the daily living of the Golden Rule in all human relationships.
- To promote the adoption and the application of higher social, business, and professional standards.
- To develop, by precept and example, a more intelligent, aggressive, and serviceable citizenship.
- To provide, through Kiwanis clubs, a practical means to form enduring friendships, to render altruistic service, and to build better communities.
- To cooperate in creating and maintaining that sound public opinion and high
- idealism which make possible the increase of righteousness, justice, patriotism, and good will.

Last week's special guest speaker, **Jimmye Laycock**, Coach of the award winning William & Mary football team entertained us with his coaching style and good humor--kudos to Steve for another great program!
