Dear Grafton Kiwanians;

Many of you have asked if there is anything that we can do for Kathy & Joel to help them and their son-in-law, who was seriously injured in an industrial accident. An account has been set up at Union Bank for the Everhart/Denny's. The money will be used for travel to Atlanta on the weekends, food, lodging etc. Funds can also be used to help in caring for the grandchildren. Please make checks payable to "Benefit of the Everhart/Denny Family" and can be taken directly to the bank, given to our treasurer or dropped off at John King, Colin Owens or Tom Tragle's State Farm offices.

You can gain information about progress for Kathy and Joel's son-in-law, Brian Denny, at

<http://www.caringbridge.org/visit/briandenny>

Thank you in advance for your help.
